

LAMAS MEMBERSHIP MEETING  
JUNE 2, 2007

The membership meeting was held on a beautiful sunny day at Roundstone Spring Farm in Marsahll, VA, hosted by Mary Brownstein. Following are highlights of the meeting:

The meeting also turned into a wonderful social event. We shared stories of Llamas and Ducks as well as admired the 1928 car driven by one of the members to the meeting. We visited with Mary's lovely Llamas and two Alpacas and had a lovely lunch under the shade of the Black Walnut tree in her front yard.

Business conducted included filling a couple of badly needed jobs. Pat Sher volunteered to organize the photo contest at our upcoming yearly conference to be held 15 September at Dr. Baums near Smith Mountain Lake. Marian (Bruffy) Bragg volunteered to lead the silent auction for the same event; Edie Cardwell volunteered to assist Marian. Carol Kieffer volunteered to organize the Pushme/Pullyu award nominations. Others at the meeting volunteered to assist if someone would take the lead. We need members to take the lead and you will have your support. We are still in need of an Elections Chair; among other positions.
